

Teemu Ruoho

Experience

Aug 2017 – Present
Entrepreneur • Starwipe Oy

Jan 2017 – Jul 2017
Product Manager • Veikkaus Oy

Aug 2013 – Dec 2016
Product Manager • Raha-automaattiyhdistys, RAY

Jan 2009 – Aug 2013
Technical Operations Manager • Nelonen Media

All recent positions have included designing, installing, supporting and documenting different kind of AV systems. I have also organized user training for the systems and coached users to create professional looking and sounding contents.

Education

**EVTEK-University of Applied Sciences
Institute of Technology, Espoo, Finland**

- Bachelor of Engineering,
Media Technology, Digital media, 2007

Myyrmäki vocational school, Vantaa, Finland

- Occupational degree,
Radio- and TV-technology, 1998

Expertise

Wide experience in TV, radio and web productions. Strong knowledge about different AV systems and content production methods gives me expertise to design new complex and flexible solutions that are still user friendly.
